ALL OUR BEEF COMES FROZEN FROM THE USA, AUSTRALIA AND CANADA. ALL OUR CHICKENS COMES FROZEN FROM KUWAIT, TURKEY AND UAE. OUR SEAFOOD COMES FROZEN FROM NORWAY, INDIA, VIETNAM, UAE, PHILIPPINES, THAILAND AND SCOTLAND.

Texas Roadhouse® was founded by Kent Taylor in 1993 on the principles of, authentic food made by hand. Steak would be hand-cut, ribs would fall off the bone, the sides made from scratch and the bread baked fresh every five minutes. No shortcuts, just real food made-from-scratch daily.

Kent was inspired by the traditional roadhouse found along the rural roads of the Lone Star State. These family restaurants were local gathering places where the smells, tastes, music and laughter were as big as the state of Texas. People of all ages could stop in to enjoy a great meal for a great price. There was no better reward following a hard day's work than great food served in a relaxed atmosphere.

Almost 25 years and over 500 restaurants later, Texas Roadhouse is still committed to those same principles of quality.

That true Texas Roadhouse® experience can now be found around the world.
